

Best Buddies

Sunrise Mountain

Sponsors: Ms. Batty (C 108) & Ms. Morales (E 109)

Best Buddies was started last year as a club to promote one-on-one friendships between students with disabilities and their peers on campus. Through this club students are given the opportunity to volunteer their time to build a friendship with students that struggle to make friends and to learn a new outlook on life.

Activities:

Throughout the year we will have monthly meetings to initiate interaction, friendship and to build a positive community. There will also be planned group activities outside the school day and times where you and your buddy should spend time together. These activities could be any of the following:

- Speed Friending
- School Athletics
- Rock Band
- Cards for Hospitals
- Pizza Sales
- Board Games
- Hiking
- Match Party
- Roller Skating
- Field Day
- Crafts
- Show & Tell
- Ice Skating
- Secret Santa
- Bowling
- Going to the Mall
- Bowl-A-Thon
- Study Groups
- Movie
- Car wash

Commitment to the club:

By joining Best Buddies you are committing your time and friendship to another student here at Sunrise. We ask that when you join this club that you make a commitment to be part of it for the whole school year. We ask for this commitment because another student is depending upon you as a friend to be there when they need them in times of good and of bad.
